President's Message

I wish very much that you knew how beautiful Montreat is. Our campus, buildings, and the whole setting really inspire us to do our best.

Our faculty and staff are selected with great care. They have chosen to work in a Christian institution because of its unusual opportunities for Christian service. You will enjoy working with them as they seek to help you develop your whole Christian personality. They will give of their very best for you, and you will be happy as you likewise respond with your very best.

We believe that one should have a good time while receiving a Christian education, so our social-recreational program is full and well planned. From this, as in all other relationships here, you will receive according to the enthusiasm you put into it.

The simple rules you find in this booklet are the outgrowth of the thinking and practice of fine young women living together. The spirit of co-operation and fellowship which we experience in the observance of them means much happiness for all of us.

We are confident that you are the type of superior young woman we want at Montreat, and we anticipate your coming with great joy. There is genuine satisfaction and delight for us as we work together to make a more beautiful Montreat.

If ever there is anything which you think I can do, I hope you will give me the opportunity to try.

We open wide our doors and welcome you to Montreat!

Most cordially yours,

J. RUPERT McGREGOR, President

Montreat College Seal

The seal of Montreat College expresses the standards and ideals for which our school stands. On this emblem are found these words: Strength, Beauty, and Truth. These are the qualities which Montreat College tries to engender within its students. In seeking to obtain these traits, we must develop and rely upon spiritual life, for it is through complete reliance on Jesus Christ that we find Strength, it is through seeing the beauty of His face that we develop Beauty, and it is through finding and abiding by His truth and wisdom that we develop Truth within ourselves.

Also on this seal are found these words: "Esse quam videri"—To be rather than to seem. This is the summation of the teachings of Montreat College. Throughout the activities and in all our relationships, we must possess inwardly as well as outwardly the qualities and character that we are seeking to build.

The open book that is in the center of the seal is asymbol of knowledge. In our search for wisdom, we learn not only from our books and classes, but also from the Bible, which is the basis of Christian education.

Because Montreat is a Christian college, there are certain standards that must be upheld. These standards include truthfulness, honesty, and consideration for others. These are the ideals which we try to attain in the development of Christian character. Because of this, the honor system has been selected as the accepted method of government.

The honor system means that each student shall be on her personal honor until she proves herself unworthy of this privilege. She shall feel it a matter of personal responsibility not only to uphold the letter **and** the spirit of the regulations, but also to help others to do this. Each student shall be asked to sign the following pledge of honor:

"As a member of the Student Government Association of Montreat College, I accept my respon-

sibility to uphold the regulations of the Association, to maintain the highest standard of personal honor, and to help others in carrying out the purpose of Student Government."

PATRICIA WILLIAMS,
President of Student
Government Association,
1952-1953

MESSAGE FROM DEAN OF STUDENTS

As the college year opens, we enter a new world, even those of us who have been to Montreat before, a fresh new world of opportunity and promise; of work and recreation; of possibility for growth mentally, physically, socially, and spiritually.

What we make of 1953-1954 in Montreat College is in our hands. If, depending on our Lord for help, each of us does her part to the best of her ability, looks with patience and tolerance on the efforts of others, and is willing to accept the challenge of the opportunity before her, this year will be a great year for Montreat.

As Dean of Students, I am here to be the friend of every girl who is enrolled in college. Come to me when I can help in any way.

Very cordially yours,
ELIZABETH WILSON,
Dean of Students

THIS 'N THAT

In case you are wondering . . .

We thought you might like to know that in spite of the modern inconveniences we have in the form of rules and regulations, we do have some modern conveniences, also, such as:

Game Room: When dating, or just for those minutes of relaxation you'll have for your own personal enjoyment, the game room is the ideal place. Located in the Rec Hall of Howerton.

Provision for limited cooking in each dorm: On cold nights when you crave that hot bowl of soup, or when you want to have a fudge party, arrangements can be made with the Assistant House President, who has charge of cooking privileges.

Pressing Rooms: A washer and dryer are at your disposal for doing heavy laundry. Ironing boards are conveniently located throughout the dorms.

Lobbies (Parlors) and Date Rooms: You will find that the beautiful lobbies in our dormitories are wonderful places to get together and talk, to study, or to entertain a date. It is wonderful to pop corn around the roaring fire on a winter's night! We recommend, however, that you use caution in running through the lobby in your "nighties," because every now and then, you might embarrass someone's date, not to mention yourself! The date rooms, located in each dorm, are very attractive rooms especially designated for the purpose of entertaining dates.

Student Bank: For you people of great means, and others of you of no great means, the Student Bank offers a safe place for your money. It is open every weekday and you may deposit and withdraw as you wish.

Sports: You are urged to engage in some kind of sport after classes each afternoon. This is the best way to get to know your classmates, and who knows? You might develop skills you never thought of, and muscles you didn't know you had!

A. C. T.: The Asheville Community Theater presents six excellent plays during the season. Students may purchase season tickets at the opening of school.

Civic Music Concerts and Others: Civic Music Concerts offer a variety of delightful programs which are attended by a large number of students. Season tickets may be obtained during first semester. Also in Asheville you may wish to hear various college choruses and local groups.

Holidays and Special Events: Our college days are made richer and take on deeper meaning as we participate in the special events and traditions of our school. Throughout the year there are programs and activities which add much to our lives here on campus. The upperclassmen eagerly await the **Freshmen Talent Show.** This is when the Freshmen do their "stuff."

Saturday Nights are scheduled with concerts, plays, square dances and various other activities which are of particular interest to all students.

Sometime during the Fall season, boys from nearby colleges are invited to Montreat for special week-ends of fun and fellowship, which include picnics and square dancing. (There is no mixed round dancing at Montreat, but Oh those square dances!).

Thanksgiving is of special importance to all Montreaters, since this is Homecoming Day. Many activities are planned: First a special morning service conducted in the Chapel, the "M" Club luncheon, the Homecoming soccer game, Varsity vs. "M" Club, and the Thanksgiving banquet which ends the day's activities.

The Christmas Season is a very busy time for Montreat Students. Programs are given by various organizations. The Sophomore Class sponsors the annual Christmas party. The Choir and Chorus give a Christmas Concert. They also participate in the Christmas cantata sponsored by the Asheville Civic Music Association. The Student Christian Association presents the Christmas Pageant, and special projects are also conducted through the S. C. A. by which gifts are made to needy families of the community.

The George Washington Costume Party, sponsored by the Student Government Association, is another highlight of the year.

Our Sunday activities are of vital importance to our life here on campus. Church and Sunday School in the morning, quiet meditations, short walks, visits with friends of the community, listening to music are some suggestions for Sunday afternoons. After Vespers, conducted by the Student Christian Association, there is usually a Hymn Sing in the beautiful lobby of Assembly Inn.

The coming of Spring brings to Montreat several special occasions: The Choir tour; concerts given by the various musical organizations; and one of the major events of the year, the May Day Pageant and the crowning of the May Queen.

The busy commencement season is climaxed by our Graduation, the loveliest and most impressive ceremony of the school year. All students wear white dresses or suits and participate in the processional and recessional.

HINTS TO FRESHMEN

Welcome to Montreat, Freshmen! We hope that you will love Montreat as we do, and be proud of the things for which our College stands. Here are a few "hints" that we, as upperclassmen, would like to give to you, who will have a very important part in our college life.

Don't forget to smile; things are much brighter when you remember this.

Be friendly toward your fellow students and to your teachers. Don't be afraid of them. They are interested in you and want to be your friends.

Take an active part in the social activities that are sponsored by the school and the various clubs.

If you sing and are interested in music, try out for the choir.

Make good use of the athletic program. Support your team by going out for the various sports. There is a place just for you.

Remember the "Golden Rule" in your dormitory life. Be co-operative, unselfish and understanding, and, most of all, respect the rights of others.

Don't forget to go by "Morning Watch" every morning. It will help make your day a better one.

Twice a week the girls meet in small groups at night for prayers together. Those who take part find that this is one of the sweetest experiences at Montreat.

Hold your honor high, be sincere and have a good sense of judgment.

Get into the swing of things the very first day that you come to college.

Read the Bulletin Boards. They are our daily newspapers.

Have lots of fun becoming acquainted with your new life.

Do your part in keeping the true "Montreat Spirit" alive on the campus all through the year. We're counting on you!

Section 3.

two-thirds vote of the Association for two consecutive years at its annual meeting.

ORGANIZATION AND ACTIVITIES

The Student Christian Association is made up of the entire student body of the College. The Council acts as an administrative body of the organization. The students are divided into the various groups and through these smaller divisions of the organization more efficient work can be done. These groups are divided at the beginning of the year and thus each person has an active part in the Student Christian Association.

Vesper services which are planned and carried out by the students are held each Sunday night. The aim is to have each girl participate in these programs. Sometimes we have outdoor programs, at other times candle-light services, and quite frequently missionaries and other guest speakers are secured.

Throughout the year the S.C.A. seeks to aid students in Christian living by wholesome recreation and fellowship.

STAFF SONG

We are the girls, girls of the Staff,
Girls of the S. P. S.
True to each line of our motto fine,
We only count the hours that shine.
Montreat to you we shall be true,
Ever your praise express;
Marching along singing a song,
We're the girls of the S. P. S.

Hello, New Montreaters!

We're awfully glad you are going to be one of us. We've been working and planning for you for a long time! We want to do everything possible to make your college life a most memorable experience.

Now please don't go around regarding us upperclassmen as achievements of modern science who painlessly acquired all the knowledge we possess, and who NEVER passed through that awkward stage known as Freshman Year. 'Tain't so! We know what it's like—and we'll agree that for all its problems, Freshman Year is the best! We're just "plain folks" with extra big hearts, anxious to take you into the wonderful Montreat fellowship—so call on us, any time and all the time!

Our yearbook, the SUN DIAL, records the bright moments and dear faces of each year at Montreat. The 1954 SUN DIAL is going to be a "special edition," because YOU will be a part of it. So, pitch right in and help us make memories!

Sincerely,

ELLINORE KRIEGER, Editor-In-Chief

Howdy Friends,

How does it feel to be a college girl? Hope you are as excited as I was.

Your college days are stuffed full of work and play.

As you enter school and become a member of the Athletic Association, I want to give you a few hints that will help you to get off on the "right foot," and, when the end of school comes, you will have reached the goal set by the Athletic Board.

1. Start with a bang! Go down for sports the very first day when everyone can learn together.

2. Learn to play all individual sports. Sign up for the tournaments and play them.

3. We have a Hiking Club each semester, so you will want to hike and learn your way around Montreat.

4. When you need to "limber up" you can always practice stunts in the Rec. Hall.

5. Among my favorites on rainy days are skating and square dancing.

6. Our classes are over at 4:20 and that is when our athletic program begins. So, whatever is planned, you be there with the upperclassmen, and I know we will have a wonderful year.

From all the upperclassmen, I would say, yea Freshmen!

MARY JANE GILLESPIE

President

Athletic Association

SPORTS

As you new Freshmen enter the doors of the dormitories, yells of "Yea Blue!" "Yea Gold!" will pound your ear drums.

What does this mean, you inquire? Well, let me tell you.

The Freshmen and Juniors constitute the Gold Team and the Sophomores and Seniors the Blue Team for '54.

Now that you are on a team you might inquire, "What's next?"

Well, we have competition, but this isn't any good without skills, so we develop team and individual skills.

First our team skills. Just as autumn, winter, spring and summer come, so do our seasonal sports. First soccer, basketball, volleyball, and then softball. The tougher the competition in these sports, the better we like it and the harder we play.

In order to make sure that life doesn't become dull, we add a touch of something new. We develop individual skills in horseshoes, shuffleboard, table tennis, deck tennis, tennis, and badminton. There is always something new and exciting to learn and do.

The mountains that surround Montreat are gorgeous, and the only way to know the mountains is by hiking. Oh, yes, don't forget your camera and stout shoes.

Then the big day comes. Awards of numerals, letters, and chevrons are made to those girls who prove themselves outstanding in sportsmanship and athletic ability. Also, the Cup is presented to the Blue or Gold team winning the most tournaments during the course of the year.

"For when the one Great Scorer
Comes to write against your name
He marks, not that you won or lost
But how you played the game."

KAPPA PI BETA CLUB

The Kappa Pi Beta Club is a literary club, membership in which is granted upon the presentation and approval of some original story, poem, or essay. The object of this organization is to encourage the appreciation of good literature and the development of creative work on the part of its members.

"M" CLUB

The "M" Club is the honorary athletic organization on our campus. To become a member you must prove skillful in sports, show sportsmanship, good teamwork, and an active interest in the athletic program of the school. So come on girls, let's have a good time and become a proud wearer of the Montreat "M".

MONTREAT COLLEGE ACTIVITIES OF THE AMERICAN RED CROSS

"The purpose of Red Cross Activities is to provide men and women students on college and university campuses with an opportunity to help plan and administer their volunteer activities in the community, national, and international Red Cross programs."

MONTREAT COLLEGE CHORUS

The chorus is composed of thirty select voices. In addition to a series of local concerts, the chorus presents concerts in nearby communities, and usually makes an extensive tour during the spring. The chorus is open to all students.

MONTREAT CHURCH CHOIR

All students who have pleasing voices and who are interested in participating in the worship service, through music, are permitted to join the choir. Members are chosen through auditions at the beginning of the fall term. Church Choir organization, literature and basic conducting techniques are stressed in the rehearsals. This makes a valuable experience for those who may be preparing for the various fields of church service. Two years are required of music majors and minors. Credit one semester hour.

THE MUSIC CLUB

The Music Club is composed of students taking piano or voice. The purpose of the club is to instill in the students a deeper appreciation of music and to furnish opportunities for participation in musical programs consisting of instrumental and vocal numbers. Any one not studying music may join as an associate member.

THE THALIANS

College students interested in acting and stage technique will be given an opportunity to join the Thalians. Through discussions of the history of the theater, and the use of drama in the church and school, and through the presentation of various plays during the year, valuable experience and knowledge are given the student.

School Songs

ALMA MATER

(Tune: Believe Me If All Those Endearing
Young Charms. Words were composed
by Mrs. Lucille Belk Armistead.)

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat

MONTREAT GIRL

Now when a Montreat girl walks down the street,
She looks a hundred per from head to feet—
She has a word, a smile, a winning way, and
When you see her, boy, you'll recognize her and
you'll say—
Now there's a girl I'd like to know,
She has that Montreat spirit, pep, and go,
And just to look at her is quite a treat,
It's hard to beat,
A MONTREAT GIRL!

MONTREAT

Montreat, we're always thinking of you,
Montreat,
We'll tell the world we love you.
Don't forget we're yelling for you.
We will play, and sing, and dance and everything
For Montreat.
You are our inspiration; days are never blue.
And after all is said and done,
There is really only one.
Oh Montreat College, it's you!

MAY DAY SONG

She comes, she comes, our radiant queen,
And joyfully we sing.
She spreads the hills and fields with green,
Our lady of the spring.
Let all the universe rejoice,
Upon this gladsome day,
And spread the tidings with one voice,
'Tis May, May, May!
'Tis May, May, May!
Winter winds are far away,
All the earth is bright and gay.
And joyfully, again we say,
'Tis May, May, May!

BLUE AND GOLD

Blue and gold of old Montreat,
With love for you our hearts will beat—
A candle light shining where'ere we dwell,
To the friends that we all love so well—
We're thankful for skies of blue,
The breeze that whispers its love to you,
We hear their voices calling,
With love enthralling—
O DEAR MONTREAT!

Commencement Songs

PROCESSIONAL

The children of the King are we,
The children of the King;
His emblem bearers we would be,
And so his banner bring;
Its colors gleam all gloriously,
As forth its folds we fling;
The children of the King are we,
The children of our King.

O heed with us the happy call
To worship of our King.
Come join us in His temple all
Who hear His church bells ring;
Your souls shall feel His blessing fall,
And know His comforting;
O heed with us the happy call
To worship of our King.

The earth, it is His garden fair,
The garden of the King;
Where flowers and little children share
His love for everything;
The whole wide world lies in His care,
Beneath His brooding wing;
The earth, it is His garden fair,
The garden of the King.

Our lives are links of years and days,
Wherein to serve our King;
Like Him, to help in loving ways,
While homeward journeying;
Our lives, our lives, shall sing His praise,
As now our voices sing;
Our lives are links of years and days,
Wherein to serve our King.

(The music for this was composed by Mrs. Crosby Adams.)

RECESSIONAL

BRIGHTLY GLEAMS OUR BANNER

Brightly gleams our banner
Pointing to the sky,
Waving wand'rers onward
To their home on high.
Journeying o'er the desert
Gladly thus we pray;
And with hearts united
Take our heavenward way.

Jesus, Lord and Master,
At Thy sacred feet,
Here with hearts rejoicing
See Thy children meet;
Often we have left Thee
Often gone astray;
Keep us mighty Saviour,
In the narrow way.

All our days direct us
In the way we go,
Lead us on victorious
Over every foe;
Bid Thine angels shield us
When the storm clouds low'r,
Pardon, Lord, and save us
In the last dread hour.

Then with saints and angels
May we join above,
Off'ring pray'rs and praises
At Thy throne of love;
When the toil is over
Then come rest and peace,
Jesus in His beauty,
Songs that never cease.

Refrain: Brightly gleams our banner
Pointing to the sky,
Waving mortals onward
To their home on high.
